- I. Be sensitive to the Lord's **leading** as you consult His word (v. 1-5).
 - a. Especially when you may be **feeling down!**
 - b. Recognize your own physical condition contributing to your discouragement and seek encouraging people.
 - c. Beware of anecdotal evidence (hearsay and opinions vs. hard facts). This is heavily influenced by **feeling**.
- II. Just because you or I are not **famous** does not mean we are not important to what God is doing! (v. 6-73a)
- III. Always look for sound doctrinal teaching and expository preaching that elevates **God's word** to the highest level (above what **feels** or **sounds** good). (7:73b-8:5)
