The Life Changed by Christ (1 Jn. 5:5-11)  
September 13, 2015, by Philip Pinto @ Village Bible Church

Our lives are changed by a relationship with God through Christ by the Holy Spirit.

“Who is he that overcomes the world but he that believes that Jesus is the Son of God?” (1 Jn. 5:5) a rhetorical question.

- What one believes about Jesus matters!
- It's what provides the victory to overcome the world.
- Faith (v. 4) must be properly placed.
- Doctrine is more than a point to be argued.

The importance of testimony

- Three witnesses (1 Jn. 5:7)
- Jesus spoke of multiple witnesses of His identity (John 5)

The implications of Jesus' identity and the concept of “Trintiy”

- The Spirit bears witness (
  - o Rom. 8:15-16
  - o 1 Jn. 5:9-10a
- Believe it or not, it's the difference between life and death! (1 Jn. 5:10b-12)
