Malachi 3:1 “the messenger of the covenant” = **Jesus**
Communion is a symbol of this [new] **covenant**

The new covenant was pictured in the Passover (Exodus 12:1-27)

Jesus ate the Passover meal with His 12 student-followers. (Matt. 26:26-29)

They saw Him as a type of **Moses** who would deliver them from foreign oppressors.

Jesus understood Himself to be the **Passover Lamb**.

“...eat, this is my body.” “Drink... this is my blood.”
(c.f. John 6:47- 58)

The Apostles followed this model and taught other followers of Jesus to do it together in the same manner. (1 Cor. 11:20-29)

It must be done with reverence

“In remembrance”

There’s something more, still.

It is a **witnessing** tool proclaiming the Lord’s death
(v. 26)

Jesus is the **lamb** of which we must partake

The Lord’s Supper is serious business (v. 27-29)

Taking in an unworthy manner “eats and drinks **judgment** on himself.”
